This schedule is used for reporting all direct contributions. You must keep a record of all contributors, but for this report you may combine all contributions of \$100 or less from individuals and enter this sum as unitemized contributions on the first line below. Any contribution of more than \$100 or aggregate during a calendar year from an individual and all contributions from political parties and PAC's must be entered as a separate item (itemized) giving the amount, name, residence address, city and state of the contributor. Any contribution from a federal political committee or political committee organized outside this state shall also include the name and internet website address of the filing office where the committee regularly files.
